Information about the Range Gate key:

In 2008 a new gate was installed at the entrance to the roadway to the outdoor range. By vote of the membership, the lock on this gate will be changed each year. The lock will be changed on or about February 1st. Your old key will still be needed until the lock is changed on February 1st, at which time the new lock will be in place and you will need to use your new key. **DO NOT THROW OUT YOUR OLD KEY UNTIL AFTER FEBRUARY 1st.** The cost of a new key is currently \$2 that ALL members who want/need a key must pay, including Life members. If you don't use the outdoor ranges, you do not have to purchase this key.
